

Picture Days

**Tuesday, June 4th
&
Wednesday, June 5th**

Our Recital Picture Days are held at the studio with Tim Miller from Art of Dance Photos

- Picture day will be split into 2 days! We will try our best to have each dancers classes all be on the same day. But we can't make any guarantees at this time.
- **There are no classes the week of picture day.** Pictures will be scheduled in the afternoon/evening
- The schedule for Picture Day is on the next page
- Purchasing pictures is completely optional!
- We ask that everyone attend picture day, even if you don't plan on purchasing any photos. This way you can be in the group photo!
- Picture day will include individual photos of each dancer in their costumes, plus group photos of each class!
- Please arrive no more than 15 mins before your scheduled timeslot (this will help us avoid congestion in the studio)
- We will be taking a group photo of each class first, and then an individual photo. Dancers may leave after their individual photo
- More info about how to purchase your Picture Day photos will be provided to you at as we get closer to the date
