

Picture Day!

Recital picture day is for all dancers who are participating in our 2021 Dance Recital-Rockin' Road Trip. Picture Day is Saturday, April 24th at the studio! Please visit the 'Recital Info' section of our website for more information, as well as a detailed breakdown of hair/makeup/tights for each costume.

PLEASE BE SURE TO READ EVERYTHING. We want to make sure picture day runs as smoothly as possible. We are on a pretty tight schedule, and everyone's cooperation is greatly appreciated.

- All students should arrive to the studio dressed and ready to go for their picture with hair and makeup done. Only dancers who are in multiple numbers will be able to get changed at the studio. (Please visit our website for information about hair/makeup/etc...)
- Read over the schedule and make sure you know exactly when your dancer's time slot is. I recommend arriving 5-10 mins before the start of their class's timeslot to be sure you do not miss anything.
- If you arrive after your child's timeslot, it is not guaranteed their photo will be able to be taken, so please be on time.
- We need to continue to be mindful of social distancing while in the studio. We ask dancers arrive with only ONE adult. Please leave siblings at home if possible. Everyone must wear a mask.
- Dancers will be able to remove their mask for their individual photos. For group class photos, I will leave the decision about masks up to each dancer/parent. If dancers choose to keep their mask on, please be sure to wear a plain color mask.
- If a dancer is uncomfortable being in a group photo with their classmates who may be maskless, they are welcome to skip the group photo.
- We will take individual photos of the dancers first, and then we will take the group class photo. After that, if your child is in no other classes, they are welcome to leave.
- If you do not know what class your dancer is in, please reach out! Or ask your child, as they will hopefully know the name of their recital song.
- As always, there is absolutely NO PRESSURE to purchase photos. If you are unsure about whether you want photos taken, I recommend still coming and having them taken then deciding later on if you would like to purchase anything.

Valley Dance Recital Picture Day

www.artofdance.photo/Valleydance

During portrait days we photograph multiple poses for each dancer in their costume. Then we post the images on line so you can order exactly what you want.

****Students must walk into the studio camera ready for their session time****

We will also post live action photos from the recital.

Consider buying digital files! You can print from the high-resolution and original digital files.

The low-resolution files are great for social media, email, your cell phone and many other things. They are sent to you immediately after you pay for them!

The \$5.00 Low Resolution digital files are not intended to print from - best for social media.

The \$10.00 High Resolution digital files can be used for social media but it will also print up to an 8x10 inch print. It is also very nice for screen saver slide shows or desktop backgrounds.

The \$25.00 Original digital file is the large file that the professional camera produced. This is the highest quality you can get and is great if you want to print anything above an 8x10. Some people buy this simply to archive the best quality image they can.

When ordering prints you control the exact crop of your images. With our web site you are working directly with the lab software. You also have a choice of either glossy (shiny) or luster (matte finish) photo finishes and several photo sizes including square formats.

Our lab also offers 24 hour on line tech support: help@smugmug.com

If you are inquiring about an order you placed include the order number in the email.

**** Ordering instructions are on the back of this form ****

They also offer three shipping options in case you need something last minute.

Photos will only be posted on line until September 30th

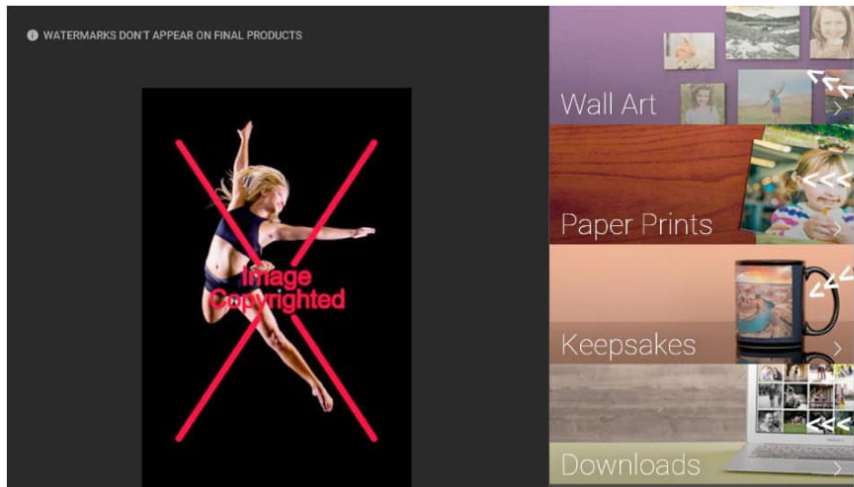

If orders are not placed before September 30th there will be a \$10.00 fee to post each session time or recital number for viewing.
